NOTICE:

- Ensure all asbestos containing materials are handled according to the Asbestos Abatement Manual (2012) and Guidelines for the Disposal of Asbestos Waste (1989) standards.
- Once your request is approved, CLAYSTONE WASTE LTD. will provide a Waste Permit and Manifest. A copy of the signed manifest must be included with each load delivered to the landfill. A scale ticket will be provided to each driver once they exit the landfill. It is the responsibility of the Permit Holder to collect the scale tickets from their drivers/contract haulers. Invoices are issued weekly, semi-monthly or monthly (as indicated above) by CLAYSTONE WASTE LTD. and will include a summary of the loads delivered to the landfill.
- If you require, CLAYSTONE WASTE LTD. will provide detailed hauling summaries. Please indicate below if you require this summary and provide the name and email address for authorized recipients, as well as the frequency in which you would like to receive the report.
- Drivers are required to wear proper PPE while on site and must have asbestos appropriate PPE if handling waste.
- Difficult waste is only accepted by pre-scheduled appointment, a copy of the confirmation email must accompany each load to the landfill. Shipping documents are required as per Transportation of Dangerous Goods Regulations.
